June 2016

Exciting New Adventures!!!

I feel like God has been leading me to volunteer with YWAM Ships for 5 months later this year into the beginning of next year. I will be heading to Kona, HI the end of September for some training and to volunteer with their fleet support office. The start of next year I will be spending several weeks in Papua New Guinea on their ship Pacific Link. I am still working out all of the details, but am very excited to see all that God has in store for me in this season. Below is a video about the Pacific Link and their work in Papua New Guinea. Please be praying for this trip. I need to raise around \$9000 (may vary some based on airfare) to cover my expenses over the 5 months. Click here to donate.

Sharing Hope With Orlando

Last week, we held a Circuit Rider training time. It was a powerful time with God. We had some amazing worship times and really experienced some of God's heart. We also had some practical training on reaching the lost and discipleship. Each afternoon was spent on the streets in the Orlando area. We were tasked with sharing God with those we encountered. We saw both salvations and healings during these afternoons. God is definitely moving in powerful ways!

On Saturday, my group was sent to downtown Orlando. As you know, a couple of weeks ago Orlando faced major tragedy when a terrorist killed 49 and wounded 53 people in a nightclub in downtown. We were able to pray and share the love of God to people who came to the memorial. It was a powerful day.

Outreach: Day 1 = 4 Salvations

Our Spring schools left for outreach last Sunday. We have one team staying in the United States. The other team headed to Europe to help with the refugee crisis. The European team reported back to us that they were already able to lead four people to Christ on the first day of their time there! Please be praying for continued fruitfulness on both of these teams' outreaches.

Summer Youth Department Fun

This summer I will be serving our Youth Department by helping on our ropes course. Our ropes course is designed to help groups learn to work as a team and grow as individuals through a shared experience of challenging initiatives and low ropes course elements. It is a great way for our teams to start their outreach training time. This week I was able to work with three youth groups and will be helping two other times in July.

Make an Eternal Difference!

Are you looking for a way to take part in seeing the Great Commission fulfilled and do something that will make an eternal difference? Check out my website at www.colleencrawford.info to see different ways you can partner with me.
