Miraculous Stories From the Field!

Our Winter schools returned from their outreaches a couple of weeks ago with so many miraculous stories. Here are a couple:

Our Winter Discipleship Training School's two month outreach was divided up with two weeks ministering in L.A. and the remainder working in China. They saw God moving in such powerful ways! Their time in China was so amazing. China is a communist country that can make sharing the Gospel something that has to be done very cautiously and salvations come slowly. But God is up to something in China and the church is growing rapidly. This team had some incredible opportunities. They were able to share full gospel presentations with 157 people and saw 8 salvations during their time there!! We are believing that God will continue to water all the seeds planted and even more salvations will come in the future!

Our Winter School Of Ministry Development's two month outreach was spent in the USA. While ministering with a food distribution program in Knoxville, TN, one of our students, Miriam, was speaking with a woman who had cancer and was shortly going to the doctor to have more tests done. Before the woman left, Miriam prayed for her. About a week later, the woman got the news that her cancer was miraculously gone! God is so amazing!

Prayer and Planning Week

This past week, we had our annual leadership prayer and planning week. It is a time for us to review our last year, ask God about where we are, and what He has for us this next year. It is also a great time for the 7 of us who make up the leadership team (see picture below) to have time together to grow our friendships. We have all been working together for 18+ years and the friendships runs deep. As the ministry grows we are all running hard and don't get to spend much time together. So this week is always a time of year I look forward to. This year we were able to rent a house so we could all stay together, which created a lot more time to fellowship and reconnect. We had a great time together. God showed up and spoke strategy about how to move YWAM Orlando forward into our next year!

Come join us!
June 21 - 25

God is giving a generation permission to live beyond the American dream - to live for His dream. He is calling them to take on a sacrificial and counter cultural love as a lifestyle to: Save the lost. Revive the saved. Train them all. God is raising up Circuit Riders again who have fire in their eyes and are carrying a message of revolution unto reformation.

YWAM Orlando is partnering with the Circuit Riders. Join us for a 5-day seminar where we will dream, pray, and be equipped as we see Jesus be famous in America and around the world. You will be trained on how to catalyze others with the simple Gospel that they might have a vibrant relationship with Jesus.

Come and learn to be a Circuit Rider; someone driven by God's heart and guided by the words of scripture. Be more motivated to make an impact on society than to live for personal comfort. This seminar will be a powerful time with God that you don't want to miss. Go to www.ywamorlando.com/crs2016 for more information.
