

Colleen Crawford's 2019 Year - in - Review

Merry Christmas

I pray that you and your family are having a great holiday season.

This year has quickly come to an end. On the Pacific Hope it was a year of growth, preparation, and learning. It feels like this ministry has been amping up and getting ready to really take off. I am very excited to see what God has in store for next year. Here is a brief overview of 2019.

My Year at a Glance

Jan - Feb: Shipyard maintenance period. I took some training courses and earned my 100-ton inland waters captain license.

March: We sailed back to Dominica and did ministry.

April: Ministry in Dominica. Prepared for ship to arrive in Dominican Republic.

May: Sailed to Dominican Republic and started Ministry

June: Ran clinics and other ministry in the Dominican Republic

July & August: Had youth teams on board doing ministry in Dominican Republic.

Sept: Sailed to the Bahamas and began relief efforts in Freeport. Had a remote team deployed to work on Grand Cay. They opened clinic and treated patients, helped get the watermaker back up, provided food, among other things.

Oct: The ship joined the remote team on Grand Cay. We continued operating the clinic, started a program for the island's kids, distributed supplies, & started reroofing homes.

Nov & Dec: We continued reroofing houses and distributing supplies on Grand Cay.
